## Increase Your Profits!

The SMS "Winner's Shuffle" Kit uses the capabilities of your existing P.C. Board to transform your game into four of the most profitable games in town:

4. "Acey Deucey"

We do this without hurting your existing P.C. Board in any way.

SMS "Hi-Lo Double-Up Joker Poker," Kramer "Model I" and "Model II," and any other Poker games with the identical P.C. Board configuration.

Remember, it only takes 10 minutes to convert to "Winner's Shuffle" and 10 minutes to convert back your original game!
